

スプリング・スクール
保護者のみなさま

この度はスプリングスクールにご参加いただき、誠にありがとうございました。暖かい日差しの中、お散歩しながら公園へ遊びに行ったり、アートで遊んだりして、みんなで春を楽しむことができました。

Day 1- Blue Skies and Sunshine!

What a beautiful day to start out our Spring School! Our kids visit the Shiroyama Park enjoying tee ball, tea parties, frisbee, and jump rope under a clear beautiful blue sky ☺ We had such a wonderful time at our picnic! Great start to our day and spring school!

Day 2- Baby animals in Spring

Welcome back to day two of Spring School! We learned the names of different baby animals born in Spring with Maria. Then we made baby animal paintings. Everyone had so much fun mixing colors and creating. In the afternoon we sung and acted out a picnic song.

Day 3- Spring flowers and tea parties

A delightful day of creativity and fun was had by all! In the morning, our students blossomed with artistic flair, crafting vibrant spring flower hats. They eagerly colored their green hats and assembled their colorful flowers, honing their cutting skills along the way. After a delicious lunch, the magic began! We transformed our classroom into an elegant tea party, complete with pretend tea and snacks. The children, proudly wearing their handmade hats, enjoyed a formal gathering, followed by a one-of-a-kind award ceremony. The day was filled with laughter, smiles, and the joy of shared experiences – a truly memorable occasion for everyone!

Day 4- Eggs and nests

Wednesday was for our feathered friends! We started circle time with cheerful bird song and learned all about nest building, even trying our hand at crafting our own little bird homes with various materials. The sunshine called us outside for some playful adventures, and after a tasty lunch, we dove into the story of a curious kiwi. To wrap up our bird-themed day, we read a story about a tiny kiwi and transformed into birds ourselves with a fun nest movement game, flapping and fluttering our way to laughter!

Day 5- Bird making

Thursday was all about the little birds! During circle time, we learned about the tiny creatures that fill our world with song. Then, our creativity took flight as we crafted adorable birds using colorful yarn, each one unique and super cute! After a restful lunch, the excitement continued with a bird egg treasure hunt. Our little explorers had a blast searching high and low, discovering hidden treasures and making memories that will surely hatch into smiles.

長なわとびに挑戦!

お城をバックにみんなでチーズ

動物の赤ちゃんを描いてみたよ!

歌遊び♪ピクニックにいこう♪

真剣にはさみでチョコキチョコキ!

優雅なティーパーティ

イメージ通りの鳥の巣ができたかな?

小鳥になってゲームをしたよ
